Parents as Teachers

Welcome to all of our families. We are very excited to have started our new year. This is a very special time in your child's life. He or she will be learning many new things – academic skills, how to get along with others, self-confidence, and motor skills. In fact, the years before your child enters a formal education setting will be the most important and valuable to your child's development.

You, as parents, play the key role in helping your child to achieve his or her maximum potential. Research in the area of child development points out that most of a child's intellectual development takes place before they enter the formal classroom. This means that the most important teachers are their parents. By working together, we believe that we can help your child to become the best person possible – socially, emotionally, and scholastically.

We are off to a wonderful start and we are looking forward to working with you this year as we help your child to enjoy all of the joys of learning. We are ready to assist you in any way we can.

Sincerely,

Anna-Marie, Jennifer and Linda

Scholastic Book Orders

Hello DCP Families!

DCP will be participating in the Scholastic Book Clubs again this year. Scholastic books are a wonderful way to either start or continue building your at-home libraries for your children!

The deadline for this DCP group order will be **Wed, Oct. 9**. This deadline *should* allow for Halloween book orders to come in before the holiday.

I will be placing paper catalogs on the cubbies periodically. I will place a note above the catalogs stating the order deadline. However, you can really order anytime! If you choose to place an order outside of the deadline time for DCP (for example, for your child's upcoming birthday), please send me an email letting me know so I can send it through to Scholastic. Please account for at least 2 weeks from order placement until the books arrive at DCP and into your hands (I'll place the books on the cubbies concealed in a plastic bag with your name on it when they arrive).

To order books, please go to www.scholastic.com and set up a parent account/register (top right hand corner). It's that easy! Scholastic usually sends out coupons or some other incentive to parents when they order and DCP also receives either points or coupons for free books from each parent order.

Thank you so much! Happy Reading!

Sincerely,

Amy Madden, Scholastic Book Clubs Coordinator

THANK YOU

A HUGE thank you to the Feller Family for donating a computer to the school.

Your donation is sincerely appreciated.

Thank you to all the families who have donated supplies from our Giving Tree. The little things add up to help DCP.

Simple Ways to Support DCP

-Kroger rewards - don't forget to sign up! Learn more on page 3

www.krogercommunityrewards.com

- Save your inkjet cartridges and turn in at school! We turn in used inkjet cartridges to Office Max and get \$\$ to use toward office and school supplies.

-Delaware Community Market - a % of all purchases made go to DCP!

-Keep and eye out for Scholastic Book orders! This program is a great way for our teachers to earn free books and teaching aides for the classroom. Scholastics Books offers a variety of books in different forms (paperback vs. hardback) and bundles that may not be currently available in local bookstores, a great way to stock up for your child's library or to buy gifts.

Enrollment

Considering adding another day to preschool or Toddler time? There are still spots in our preschool and toddler classes. Parents can add another day for their child at anytime. The tuition will be pro-rated.

Our school is always open for parents and children to come and observe before they sign up. Please contact Wendi Garrett to schedule a visit: Wendigarrett@gmail.com.

We ask that all families spread the word about our wonderful and unique programs and encourage their friends and family to call the school for more information or set up a visit. Information can be found on our website www.dcpkids.com.

For those members interested in adding or switching days, please print off a "change in schedule" form from our website, indicate the days you are requesting, and place it in the lock box at school.

Fundraising

DUTCH BULB FUNDRAISER

A BIG thank you to the families who helped DCP with our Dutch Bulb fundraiser. This year we raised \$185 profit for our school. Although this was a little less than we hoped, DCP is still grateful. A portion of the money was used to help buy DCP a new printer for the school. This printer was much needed as our old one broke just two weeks after school started.
